

Community Safety News

Are you aged 14-25? Want to give back to the community you live in? Looking for a different volunteer opportunity?

Hampshire Constabulary and Safer North Hampshire are offering an exciting opportunity for someone aged 14 to 25 years old to get involved and help support the community they live in by volunteering with the Hart and Rushmoor Community Court.

The project is aimed at diverting, supporting and educating first-time offenders away from crime through a peer-led, restorative justice court hearing. Both the respondent and victim are invited, and advocates allocated to support them through the process. The panel hears from both sides to understand what has happened and the impact the crime has had on the victim, before deliberating on appropriate interventions for the young person to complete.
